POLICY UPDATE

Expanded Scope for APDT Exemption with New Online Refund Platform

The exemption scope of the Air Passenger Departure Tax (APDT) has been significantly expanded. Travellers transiting through Hong Kong on the same or following calendar day (within a maximum of 48 hours) may now be eligible for a HKD 200 refund.

Passengers arriving Hong Kong via land, sea, or air (travelling on two separate one-way tickets) and departing Hong Kong by air are eligible to submit the applications within 28 days of departure from HKIA.

Connecting flights under one ticket are usually exempted automatically. If not, kindly remind your clients to submit a manual application. HKIA's new online refund platform features quick Face ID verification, allowing passengers to process their re-funds anytime, anywhere—independently and securely.

As the key international gateway for the Greater Bay Area (GBA), HKIA continues to offer travellers seamless, flexible connections between Mainland, Macao, and the world—reinforcing Hong Kong's position as a preferred transit hub.
